

1. Urči zvíře, jehož jméno je zapsáno tajným kódem.

☺ ☾ ▲ ♥ ∅ ☹

V hledání ti pomůže následující seznam jmen zvířat a jejich zápis tajným kódem. Dobře si jej prohlédni.

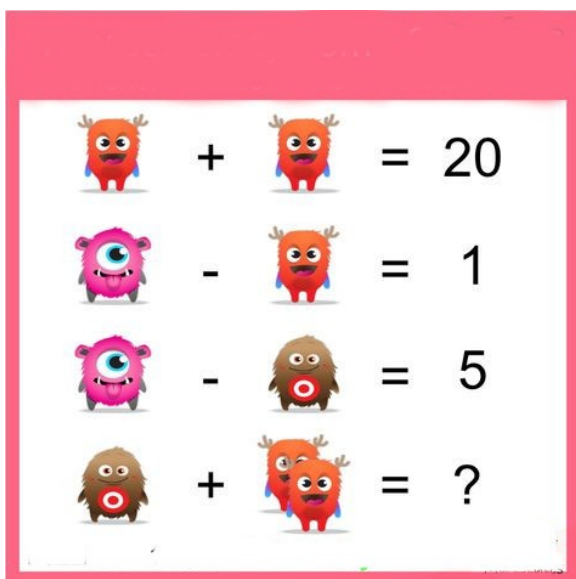

SLON □ ♥ ☼ ◼

RAK ☾ ♠ ☹

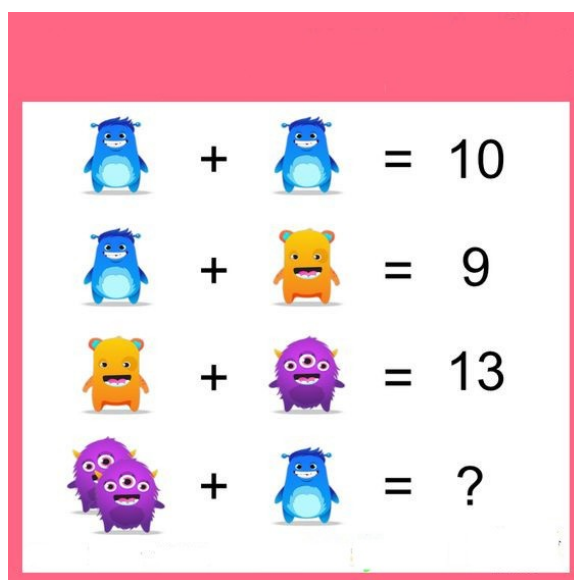

ZAJÍC ♦ ♠ ♣ ∅ F

PÁV # ▲ ∞

2. Vyřeš sudoku

A 4x2 grid of equations with cartoon monsters. The first row shows two red monsters with antlers, the second a pink one-eyed monster minus a red antlered one, the third a pink one-eyed monster minus a brown one with a target, and the fourth a brown one with a target plus two red antlered ones.

$$\begin{array}{l} \text{Red antlered} + \text{Red antlered} = 20 \\ \text{Pink one-eyed} - \text{Red antlered} = 1 \\ \text{Pink one-eyed} - \text{Brown target} = 5 \\ \text{Brown target} + \text{Red antlered} = ? \end{array}$$

A 4x2 grid of equations with cartoon monsters. The first row shows two blue monsters, the second a blue monster plus a yellow one, the third a yellow one plus a purple one with a target, and the fourth a purple one with a target plus a blue monster.

$$\begin{array}{l} \text{Blue} + \text{Blue} = 10 \\ \text{Blue} + \text{Yellow} = 9 \\ \text{Yellow} + \text{Purple target} = 13 \\ \text{Purple target} + \text{Blue} = ? \end{array}$$
